

Milton Abbot, Chillaton and Kelly Neighbourhood Plan

Bradstone: Chillaton: Dunterton: Kelly: Meadwell: Milton Abbot: Quither

23/1/17

Attached are revised versions of both the analysis of comments on the original questionnaire [amended to take into account Peter's views] and a slightly revised version of the questionnaire. If you've already printed off the earlier versions of these documents, don't bother to print these instead, the amendments aren't that significant.

I hope that tonight we will:

- Decide if the current draft is on the right lines or should we start again.
- Resolve any outstanding comments/queries on content.
- Decide what to do about an on-line version.
- Consider how we engage with businesses.
- How we improve/replace the section on archaeological heritage.
- Consider having sections on 'green space' and social/recreational/well-being issues.
- Decide when to take the questionnaire to the Parish Council.

and finish by 9pm.

Best regards

Howard
