

# Milton Abbot, Chillaton and Kelly Neighbourhood Plan

Bradstone: Chillaton: Dunterton: Kelly: Meadwell: Milton Abbot: Quither

3<sup>rd</sup> July 2017

Dear All

I've been doing some work on the MACKPlan website, so that it's up-to-date before we release the questionnaires.

It now has:

- A revised home page.
- The documents page has all the MACKPlan agendas and notes of meetings and I've added key emails sent to team members, as we often do things outside of meetings.
- The newsletter page is up to date.
- I've deleted the forum, because it never worked properly and if we need one, we can add it later.
- The plan progress page has been simplified and now has a link to an updated Consultation and Engagement Plan.
- There are new pages dealing with the residents and businesses questionnaires and the evidence base.

There are now local photos on every page, but some of them are not very good and I'm still working on getting their sizes consistent.

**Do please have a look [[www.mackplan.org](http://www.mackplan.org)] and let me have any comments/suggestions.**

Attached is a PDF of the action we agreed should be taken around the release of the questionnaires, showing progress to date. We're slightly ahead of schedule at the moment. What's now needed are volunteers to hand-deliver questionnaires in their area, from 7<sup>th</sup> to 9<sup>th</sup> July. Attached are PDFs of address lists grouped by area and based on those we used to distribute the original MACKPlan leaflets. I have cross-checked the lists against the current electoral roll and also looked at the lists that were returned in 2014. I have made some amendments based on comments made on the earlier lists and, for Lutyens Fold and Park Court, I have added in properties that were missing from the numerical sequence, presumably because they were empty when the Electoral role was compiled.

**Would you please have a look at the list or lists covering areas near you and let me know if you would be prepared to distribute questionnaires to those concerned?** Some addresses are listed as going to have their questionnaires posted. If you think they could be hand-delivered, or there are some that ought to be posted and currently aren't, please let me know as soon as possible as that

will affect the number of stamps I purchase and address labels I produce. The criteria for posting are: out of the way, too long a drive, horrible dog.

Best regards

Howard
